INTERNATIONAL

A regular family called to ministry, partnering with local churches in Europe, Central Asia, The Balkans & Africa, to reach people who need Jesus Christ.

HOW DO WE KNOW WE'RE MAKING A DIFFERENCE?

IS THE KINGDOM OF GOD GROWING AND BEING AFFECTED POSITIVELY BY OUR PRESENCE HERE IN EUROPE?

WE'RE CONFIDENT THAT GOD IS AT WORK THROUGH US... BUT HOW DO WE REALLY KNOW?

Perhaps this is a question every disciple of Jesus asks at one point or another, wherever God may have you right now.

I can think about the people God has put in front of me, the deep conversations we have had, the churches we helped plant and others we have worked with, the believers who have been encouraged, and at times the people who have gloriously come to saving faith in our Lord Jesus Christ. When I think of these moments, I am convinced that God has used us, our family, to glorify Himself and draw believers and lost people closer to Him.

In God's Word, the book of Revelation talks about "The Book of Life." From what I can tell, it is a list of names of those who will live in eternity with our creator, a list of those who have been redeemed by the blood of The Lord Jesus... it is a roll of those who have been "saved."

I don't know about you but I don't have access to this book. I've never seen it.

I do know this... I know who I am when nobody is around. I know my thought life and I know that I am broken and full of sinful tendencies.

I also know that in spite of that, I am saved... I have been reconciled with God through the blood of Christ and have the utmost confidence that my name is written in this book of life.

I want to believe that we have made a difference in people's lives and that their names are written in this book as well.

Acts 16:31 says "believe in The Lord Jesus and you will be saved"

I do believe in The Lord Jesus and I have put my full faith, trust and confidence in Him. That does not mean I'm anywhere near perfect. It just means that every day I choose to follow Him and

somehow live a life that reflects His majesty and glory.

With that said, I can't speak personally for other people I have witnessed to. God knows their hearts and He knows where they will spend eternity. My prayer of course is that "all people would be saved" (1 Timothy 2:4)

The creator of the universe is in control, not me. We are His servants and He loves us as we love Him.

He has called our family to full time ministry and our job is to be faithful, every day. Self assessment and personal inventories are essential, as long as I leave the results to God.

So how can I know we are making a difference? Is that even the right question?

These can be edgy and risky questions for a missionary on support to ask.

Let's live on the edge for Jesus together shall we?
