A REGULAR FAMILY SENT INTO THE WORLD TO MAKE JESUS KNOWN

Please Pray!

We are attempting to make a close move into Kandern from our little village of Sitzenkirch. This will bring us closer to the high school where Bianca will attend next year, cut down on a lot of driving and will help with heating expenses during the winter. Please pray that God would direct us and provide a place for us to live.

✠ Loving Muslim Peoples Here in Germany ✠

Not far from where we live here in southern Germany, there is a refugee centre that houses predominately Muslim people and families from Syria, Iraq and other troubled parts of the world. They can stay there up to 2-years while they work on acquiring a residence visa. Some families are eventually rejected and deported. Our team here in Germany is working with the director of the centre to come in and work there in various ways, build relationships and be able to share what we know to be true about Jesus and being His disciples. What an amazing opportunity to be able to love & share The Gospel with Muslim people

outside of the typical Islamic cultural context. Here in Germany, like in America, we can speak with people freely without what can sometimes be a huge price to pay for them even considering following Jesus. We believe these are God orchestrated circumstances and we need to take full advantage of this freedom. God loves Muslim people too and wants to welcome them into His Kingdom. Please pray for these beautiful people, for open hearts and for our team as we desire to be faithful to God's leading! ✠

Much love in Christ Jesus!

Local & Regional - France - Sweden - Croatia - Serbia - China - S. Africa

Our “cup runneth over...”

We continue to have no shortage of things to keep us busy, and the balance of the year will be no exception. More than ever, God is providing new opportunities to invest in the lives of people. One such opportunity is to come alongside a local church here in Germany and help their worship team with a workshop on what it means to be a worshipper and lead their congregations in worship. Very exciting! Steve will have significant travel this summer and fall with evangelistic campaigns to France, Sweden, Croatia, Serbia as well as ministry in China and more advance work in South Africa. We’re praying about how and when the family can be involved in one or more of these campaigns. Thanks for your prayers! 🙏

Thank You!

One of our special fundraising projects we have every year, is to find resources for Bianca and Sofia’s tuition costs. We want to thank all of you who gave so generously for this school year! Last month we received the last amount we needed to pay for the entire school year. Of course in the fall, we’ll need start all over again and ask God to provide through His people. For now we rejoice and thank God for His provision! 🌸

Dawn at BFA

As we’ve shared before, Dawn is working part time at The Black Forest Academy where Bianca and Sofia attend school. Dawn works in the finance office, does something she loves to do and is right in her gifting... crunching numbers. BFA is an international Christian school where many students live in dorms while their parents are in field assignments as Christian workers. Dawn loves the work, it gives her a sense of purpose and enjoys working with the people there. Dawn is also working with Greater Europe Mission at their conference facility in France, on a semi regular basis. 🌸
